

Baby Café - Triad

Start date: 6/2/2022 9:30 AM

End date: 6/2/2022 11:30 AM

Pregnant and breastfeeding mothers can connect with a lactation consultant and other new parents at a Novant Health Baby Café location. Baby Café USA is a national organization that offers free breastfeeding support and other resources to pregnant and breastfeeding mothers. At Forsyth Baby Café Healy Drive, you can weigh your baby, get help with positioning and latching your baby, discuss strategies for pumping and storing milk, and connect with other parents on their breastfeeding journey. There is no cost to attend Baby Café. We will observe social distancing and masking protocols as required by Novant Health.

Registration: Registration is not required.

Cost: This event is free and open to the public.

Location information: Enter through the main door. The Community Room is on the right
