

Novant Health team member benefits – maternity episode of care

A new choice for maternity care for team members

Team members and dependents covered by our Cigna medical plans are eligible for an enhanced maternity care benefit that significantly reduces out-of-pocket expense.

What is different?

By opting in to this benefit*, team members covered by our Cigna medical plan will enjoy exclusive concierge services, including:

- The highest quality of care delivered by our Novant Health providers at Novant Health facilities
- Clearly defined care paths including physician visits, lab testing, ultrasound, hospital stays, newborn care, education and support throughout the pregnancy
- Personally guided assistance navigating the process via the episodes portal and your dedicated member engagement specialist
- A simplified billing experience, including upfront cost information and a **single bill**

*Members in their first trimester of pregnancy are eligible for the maternity episode benefit.
