Welcome to Novant Health Specialty Pharmacy. You’re getting this packet because your provider prescribed a specialty medication to treat a complex condition. This guide goes hand-in-hand with your new prescription. It introduces you to Novant Health Specialty Pharmacy and how we help you manage your condition as well as your health. As a Novant Health Specialty Pharmacy patient, you receive more than professionally dispensed specialty medications, you also get a partner in your healthcare. Our team at Novant Health Specialty Pharmacy is dedicated to providing support to clinicians and their patients. If you have any questions or concerns about the prescription medication(s) we have provided, please contact us.

We’re here to help you on your journey to remarkable.
Safety and storage

Medication storage
Keep all medications and supplies out of reach of children and pets and away from other household or food items. If your medication needs to be kept in the refrigerator, put it on a clean shelf or in a drawer.
*Source: Centers for Disease Control and Prevention

Waste disposal
Do not flush unused medications or pour them down the sink. Utilizing local drug takeback programs is the best way to dispose of unwanted medications. Do not recap needles after injections. Keep a rigid, puncture-proof, leak-proof container close by for easy disposal of syringes and needles. Store the container upright and keep out of reach of children. To dispose of the container properly, follow your county or city regulations. Please do not take the container to Novant Health specialty pharmacy. If you need more information on disposal of unused medications or medical waste, consult your local Department of Public Health agency or call your pharmacy. If you need a new sharps container, please let us know when setting up your refill. For more information on safe disposal, you can visit the FDA Consumer Information on Safe Disposal of Medications web page (fda.gov).
*Source: U.S. Environmental Protection Agency

Emergency and disaster preparation
If there is a disaster in our area, please take enough medication and supplies to last through the emergency. If you use an infusion pump or other device, be sure to take that with you, too. Store temperature-sensitive medication in an ice-filled ice chest, and when you can, let our team know how you are and how to reach you. To ensure that your treatment is not interrupted, you are welcome to pick up your medication or have your medication shipped from one of our specialty pharmacies that is not affected by the disaster or emergency.
For more on emergency and disaster preparation, see page 4 of this packet.

Recalls
In the event of an FDA-mandated drug recall, Novant Health Specialty Pharmacy will contact you with instructions on how to return the drug for proper disposal.

Your care team
Our job and mission are to improve the health of communities, one person at a time. Our promise: We are making your healthcare experience remarkable. We will bring you world-class clinicians, care and technology — when and where you need it. We are reinventing the healthcare experience to be simpler, more convenient and more affordable, so that you can focus on getting better and staying healthy. To make that happen, we have a whole team of experts dedicated to your service. Your care team includes:

Customer service representatives
• Schedule medication delivery times and locations that fit your needs.
• Answer phone calls and triage to the right care team member.
• Proactively monitor your package shipment once it leaves our pharmacy to ensure it arrives on time and to alert you of any potential delays.

Medication management specialists
• Work to make sure your insurance coverage and copays are correct.
• Help with the prior authorization process between your insurance and doctor.
• Help find ways that may reduce medication copays (financial assistance).

Pharmacists
• Help make sure you know how your medications work.
• Look to see if any of your medications may not work well together.
• Follow up to see how you are doing with medications and side effects.
• You can find some questions that we are commonly asked on page 9 of this packet.

Billing and understanding your insurance plan

Financial responsibility notification

By accepting medication from Novant Health Specialty Pharmacy, you authorize payment by your insurance company or Prescription Benefit Manager (prescription insurance card) to Novant Health Specialty Pharmacy for medications and supplies received from Novant Health Specialty Pharmacy. You are financially responsible for all copayments and deductibles associated with your insurance benefit.

Novant Health Specialty Pharmacy will take all reasonable steps to correctly file and process your insurance claims, including the initial filing of insurance and any prior authorization or appeals process necessary for coverage determination. Please note, if your insurance provider fails to remit payment, you may be responsible for the amount due.

Specialty pharmacy billing
- We accept cash, check or credit card as payment.
- Novant Health team members may also pay through payroll deduction.

Refund check policy

When a patient pays an invoice with a check and the bank returns the check for any reason, Novant Health Specialty Pharmacy may charge a returned check fee for each returned check. The patient is then responsible for paying Novant Health Specialty Pharmacy the account balance plus any returned check fees. When a customer pays by check, the customer is agreeing to this returned check policy.

Out of network

If we are not contracted with your pharmacy benefit manager and are out of network, we may be unable to dispense your prescription. We will notify you and offer to transfer the prescription to a pharmacy that is within your pharmacy benefit network.
Medication delivery and more

We make it easy to get the medication(s) you need, when and where you need it. We give you the choice of pickup at a Novant Health Specialty Pharmacy or delivery at home, or a preferred location.

**Delivery times**

Regular delivery is Monday through Friday, but some shipments arrive on Saturday.

**Late or missing deliveries**

Sometimes, shipments may be delayed for reasons beyond our control. We track all shipments until delivery is confirmed or an exception occurs. If you don’t receive your medication on schedule, call us as soon as possible to avoid missing a dose. We have staff available 24 hours a day, seven days a week to address your delivery concerns.

**Receiving your shipment**

You or your insurance plan may require a signature for medication delivery. If that’s the case, we can’t leave your package at the door. We can always deliver your medication(s) to another location, even when you’re on vacation.

**Our partners**

Novant Health Specialty Pharmacy uses the services of commercial shipping vendors including FedEx and U.S. Postal Service.

**Change of address**

Please let us know if your address, phone number or delivery preference changes.

Lower-cost generics

Some states allow lower-cost generic medications. If your doctor prescribes a brand-name medication, we may call him or her to see if a generic is right for you. This helps make sure your medications are both cost-effective and clinically effective.

Drugs we stock

Our inventory includes a large stock of specialty oral and injectable specialty medications. If a generic is available, we will offer to substitute. If you need a medication that is not included in our drug inventory, we will make every effort to obtain the medication for you. If Novant Health Specialty Pharmacy cannot obtain the medication you need, we will assist you with finding a pharmacy that carries the medication you need.

---

**Patient rights and responsibilities**

1. Be informed in advance about the care and services provided, including visit frequency and plans of care.
2. Be informed of any changes in or termination of involvement in the Specialty Pharmacy program.
3. Speak with a health professional.
4. Be informed in advance of the care being provided and financial responsibility, including financial benefits.
5. Receive information about scope of care being provided and the limitations of those services.
6. Participate in the development of the plan of care.
7. Identify personnel through proper identification including ability to speak with a supervisor.
8. Be provided with confidentiality and privacy of all information.
9. Be advised of policies regarding disclosure of clinical records.
10. Submit forms necessary to receive services.
11. Provide accurate medical and contact information and any changes.
12. Notify treating provider of participation in the Specialty Pharmacy program.
13. Notify the pharmacy of any concerns regarding care provided.
What are your rights?

You have the following rights. If someone is helping you make healthcare decisions, he or she may exercise these rights for you.

Quality of care – You have the right to:
- Quality care by skilled healthcare team and staff.
- Be treated for your pain.
- Treatment that is as comfortable as possible.
- Emergency procedures without unnecessary delays.
- Help decide the details of your plan of care.
- Ask for a second opinion, at your expense.

Safety – You have the right to:
- Safe care.
- Know when something goes wrong with your care.
- Have a family member or friend, as well as your doctor, notified promptly of your admission to the hospital.
- Be free from all forms of abuse and neglect.
- Be free from the use of restraints unless needed for safety.

Voice and choice – You have the right to:
- Get information in a manner you understand.
- Make informed decisions about your care.
- Refuse care.
- Make advance directives and have your medical wishes followed.
- Contact a person or agency to protect your rights.
- Be treated with respect and dignity.
- Treatment without discrimination.

Authentic personalized relationships – You have the right to:
- Know the names and jobs of the people who care for you.
- Be treated with respect and dignity.
- Be free from all forms of abuse and neglect.
- Be free from the use of restraints unless needed for safety.

Privacy and access to medical information as described in Novant Health’s Notice of Privacy Practices.

Affordability – You have the right to:
- A detailed bill and an explanation of that bill.
- Information about resources to help pay for your healthcare.

What is your role in your healthcare?
- Be an active partner in your healthcare.
- Ask questions.
- Keep appointments.
- Be respectful to other people and their property.
- Follow the facility’s rules.
- Follow your care instructions.
- Share as much health information with us as possible.
- Tell us about changes in your condition.
- Tell us when you are in pain.
- Give us a copy of your advance directive(s).
- Leave your valuables at home.
- Pay for your care.

For comments, complaints, grievances, or to report safety concerns, you may contact this Novant Health facility or call, toll-free 1-888-648-7999. After normal business hours, please leave a message and someone will return your call the next business day.

You also may lodge a grievance directly with the following:

Patient questions and concerns

Questions about your medication

If you have questions or concerns about your care, please contact the pharmacy manager at your dedicated Novant Health Specialty Pharmacy.

Our pharmacists, pharmacy technicians and medication management specialists are here for you Monday through Friday, 8 a.m. to 5 p.m. ET. Need help after hours? Our clinical staff is on-call for you 24 hours a day, seven days a week to answer your questions about your specialty medication. Call the phone number on your prescription label.

Returns

Novant Health Specialty Pharmacy follows your doctor’s order carefully. You cannot return or exchange medications after they have been sold to you. We cannot give credit for medication you do not use.

Damaged shipments

If your medicine or supplies are damaged, we will arrange a return and reship the medication(s). If you have any questions or concerns, please contact us immediately by calling the phone number on your prescription label.

Frequently asked medication questions

What if my medicine is recalled?

If there is a medicine recall, Novant Health Specialty Pharmacy will call you directly and tell you what to do.

How is my medicine best taken?

Take the medicine as ordered by your doctor. Read all the information your doctor gives you and follow all instructions closely. If you have any questions about how to take your medicine, you can contact the Novant Health Specialty Pharmacy and speak with your specialty pharmacist.

What do I do if I miss a dose?

Call your pharmacist or doctor to find out what to do.

What should I expect when taking medicine (including side effects)?

You can call the Novant Health Specialty Pharmacy to talk to a pharmacist about side effects. The pharmacist can talk directly to your doctors, nurses and other health providers to help you with your concerns. Your designated Specialty Pharmacy also gives out patient education guides to make sure you understand the side effects of your medicine. If you experience a side effect, let your pharmacist and/or doctor know. There are many ways to manage side effects while allowing you to continue therapy.

Patient concerns, complaints and questions

If you have a complaint about services you are receiving from Novant Health or have not received satisfactory resolution to an issue, you may speak with a supervisor. The supervisor will investigate your complaint and take appropriate action. All issues can be escalated to the next level of management, as necessary. As part of our quality improvement (QI) program, all issues are documented and reviewed by the supervisors, manager and QI staff.

You may provide information regarding your complaint in writing, by telephone, or anonymously. Our contact information is:

1-855-307-6868
specialtypharmacycustomerservice@NovantHealth.org

If your complaint is not resolved after contacting Novant Health Specialty Pharmacy at the above phone number, you can:

1. Contact your state board of pharmacy.
2. Call the following independent organizations that provide accreditation to Novant Health specialty pharmacy for meeting certain standards for pharmacy care:
   - ACHC: 1-855-937-2242, Monday through Friday, 8 a.m. to 5 p.m. ET
   - URAC: 202-216-9010, Monday through Friday, 9 a.m. to 5 p.m. ET

Important

Fill in, sign and return the form on the following pages. Complete and place in the envelope provided and mail back to us.

Be sure to do this right away so we can get started on your treatment.
