Novant Health Charlotte Orthopedic Hospital
2019 Fact Sheet

OVERVIEW
Novant Health Charlotte Orthopedic Hospital, a department of Novant Health Presbyterian Medical Center, has 48 beds and is the Charlotte region’s only orthopedic hospital and one of a few of its kind in the country. In 2015, Novant Health began a major renovation and expansion project on the Charlotte Orthopedic Hospital, which includes the addition of a third story with 32 additional patient rooms. The project was completed in 2018.

At Charlotte Orthopedic Hospital, our doctors and team members provide a full range of orthopedic services, from advanced diagnostic imaging and innovative treatments to rehabilitation services. We are a part of Novant Health, a four-state integrated network of physician clinics, outpatient facilities and hospitals that delivers a seamless and convenient healthcare experience to our communities. The Novant Health network consists of more than 1,600 physicians and over 29,000 employees that provide care at over 640 locations, including 15 medical centers and hundreds of outpatient facilities and physician clinics. Headquartered in Winston-Salem, North Carolina, Novant Health is committed to making healthcare remarkable for patients and communities, serving more than 5 million patients annually.

By bringing together world-class technology and clinicians to provide quality care, we are committed to creating a healthcare experience that is simpler, more convenient and more affordable so patients can focus on getting better and staying healthy.
