Novant Health UVA Health System Prince William Medical Center
2019 Fact Sheet

Overview
Novant Health UVA Health System Prince William Medical Center is a 130-bed community hospital with a comprehensive offering of services in emergency, heart and vascular, orthopedics and spine, imaging, women’s and children’s health, cancer care, fitness and wellness, rehabilitation, behavioral health, wound care and hyperbaric medicine. We are a part of Novant Health UVA Health System, an integrated network of physician clinics, outpatient centers and medical centers that gives patients access to advanced, quality care delivered with a personal touch. Founded in 2016, the network is a joint operating company between Novant Health and UVA Health System that provides subspecialty care and groundbreaking clinical trials – with the support of UVA Health System – along with urgent, express and primary care in Virginia. Headquartered in Manassas, Virginia, Novant Health UVA Health System is committed to providing quality care close to home.
