Physicians

N ■ **NOVANT**[®]
HEALTH

Novant Health provides comprehensive benefits to the people who help us deliver the most remarkable patient experience.

Whether it's now or later, the Novant Health benefits program will be of real value to you and your family. You can make flexible benefit selections for medical, dental, vision and life insurance coverage for yourself and your family. Short- and long-term disability benefits add an extra measure of protection. You have the opportunity to save taxes on certain healthcare and dependent care expenses through Flexible Spending Accounts. Additionally, Retirement Plus, our 403(b) retirement plan, helps provide an income during your retirement years.

When and How to Enroll

New hires and/or team members experiencing a change in their employment status that allows for enrollment in or a change to their benefits have 31 days to enroll and submit required documentation if enrolling dependents in medical coverage.

If you do not actively enroll in benefits, the following default package will be assigned:

- Short-term disability insurance — 30-day elimination period (voluntary, team member-paid)
- Basic life insurance (company-paid)
- Long-term disability insurance (company-paid)

In addition, all other benefit elections will default to "waive". Therefore, if you intend to have medical coverage with Novant Health, you *must* take action and actively elect a medical plan. Failure to elect a medical plan will result in you not having medical coverage with Novant Health.

How to Enroll Dependents

Please be prepared with information for yourself, your dependents and your life insurance beneficiaries, including full names, dates of birth and Social Security numbers. *Note:* If you will be enrolling dependents in a Novant Health medical plan, you must provide the documentation noted below:

Spouse

- 1 Copy of marriage certificate *and* proof of joint debt/ownership. The proof of joint debt/ownership must show both the team member and spouse's names and be dated within the past 90 days.
- 2 Spouse mandate for medical coverage (reference the call-out box at right):
 - Copy of current proof of receipt of unemployment benefits, *or*
 - A letter from your spouse's employer validating they are not eligible for medical coverage through their employer, *or*
 - 2021 federal income tax return that verifies spouse is self-employed, retired, disabled or unemployed.

Children (Up to Age 26)

- 1 Copy of front page of current federal income tax return that includes the child(ren) being enrolled (you may remove all financial information and all but the last four digits of the Social Security Number).
- 2 If the child(ren) is/are not listed on your tax return, you must provide a copy of the birth certificate(s) showing the team member's name.

Spouse Mandate for Medical Coverage

If your spouse is employed and eligible for employer-sponsored group medical coverage, they cannot be enrolled in a Novant Health medical plan; however, if your spouse is self-employed, unemployed/retired/disabled or their employer does not offer group medical coverage to its employees, your spouse may be eligible for medical coverage with Novant Health.

Satisfactory documentation that verifies a spouse is not eligible for group medical coverage somewhere else is required before a spouse is enrolled in Novant Health medical coverage. **The spouse mandate requirement only applies to medical coverage.** A spouse can be enrolled in dental, vision and life insurance regardless of eligibility for these plans somewhere else.

If you have questions or require assistance, please call the People & Culture Solutions Center at **800-890-5420** or email AskHR@NovantHealth.org.

When Coverage Begins

New Hire

If the team member is a new hire, flexible benefits begin on the first day of the month following the date of hire.

Employment status change or physician practice affiliation

If a team member has an employment status change or is a new hire through a physician practice affiliation then flexible benefits take effect on the date of the employment status change or practice affiliation.

Enrollment Resources

Medical Benefits

You can choose from three medical plan options: the Cigna Premium and Standard plans or the Surest medical plan. All three plans include prescription drug coverage through MedImpact and have out-of-pocket maximums that place a cap on what you pay for covered services in a plan year.

Cigna

The Cigna **Premium** and **Standard Plans** require higher team member contributions per pay statement and have deductibles, copays and coinsurance.

Premium Plan participants in certain coverage tiers receive an initial employer-funded health reimbursement account (HRA)* deposit; however, both plans include the opportunity to earn money in a HRA through the well-being program.

Coverage Effective Date Falls Between	Employee Only	Employee/ Child(ren)	Employee/ Spouse	Family
January 1 — March 31	\$0.00	\$375.00	\$450.00	\$750.00
April 1 — June 30	\$0.00	\$281.25	\$337.50	\$562.50
July 1 — September 30	\$0.00	\$187.50	\$225.00	\$375.00
October 1 — December 31	\$0.00	\$93.75	\$112.50	\$187.50

Surest

Surest is a health plan that removes barriers such as deductibles and coinsurance, while making costs more transparent. The Surest plan allows coverage for less common, plannable treatment to be activated if and when you need coverage. This helps keep your cost down, while providing the flexibility to activate coverage at any time during the year, when and if you need it.

* Team members who select the Premium Plan and have a base annual salary greater than \$150,000 do not receive a fixed contribution to the HRA.

Other Benefits & Insurance

Accident Insurance

Accident insurance pays a benefit directly to you if you or an eligible dependent suffer a covered injury. This benefit can help cover out-of-pocket expenses related to these injuries, such as hospitalization, physical therapy, transportation and more. There are no health questions or physical exams required. Coverage is portable, and you can take your policy with you if you change jobs or retire. You pay the full cost of coverage through payroll deductions.

The policy or its provisions may vary or be unavailable in some states.
The policy has exclusions and limitations that may affect any benefits payable.

Critical Illness Insurance

Critical illness insurance reduces the financial impact of a major illness, such as a heart attack, stroke or cancer. The policy pays a lump sum benefit directly to you once you or a covered family member is diagnosed with a covered condition. You choose the benefit amount when you enroll. Coverage is portable, and you can take your policy with you if you change jobs or retire. You pay the full cost of coverage through payroll deductions.

The policy or its provisions may vary or be unavailable in some states.
The policy has exclusions and limitations that may affect any benefits payable.

Hospital Care Plan

Hospital care coverage provides a fixed benefit when a covered person incurs a hospital stay due to a covered injury or illness. You can use the money however you would like to help pay for expenses such as child care, travel or other out-of-pocket expenses. As with Accident and Critical Illness coverage, this coverage is portable, meaning you can take your policy with you if you change jobs or retire. You pay the full cost of coverage through payroll deductions.

Dental Benefits

The dental plan is administered by Cigna and offers in-network and out-of-network coverage. Preventive care is covered at 100%, basic care at 80% and major restorative services at 50%. Orthodontia is covered at 50% for children and adults and provides a lifetime orthodontia maximum of \$1,500 per covered patient.

Vision Benefits

The vision plan is administered by VSP and covers annual eye exams, lenses and frames, or contact lenses in lieu of eyeglasses. Many in-network services are covered in full or require a copay, and a plan allowance is associated with many out-of-network services. Discounts are available on laser vision correction, additional glasses and sunglasses, and lens enhancements.

Visit the Benefits Resource Center at [NovantHealth.org/careers/benefits](https://www.novanthealth.org/careers/benefits) for more information.

Other Benefits & Insurance (CONTINUED)

MetLife Legal Plan

Whether it's a planned event like buying a home or preparing a will, or an unexpected problem like a speeding ticket, most of us need legal counsel at some point, and quality legal assistance can be expensive. It can also be hard to know how to find an attorney you trust. With MetLife Legal Plans, you can have a team of top attorneys ready to help you take care of life's planned and unplanned legal events.

Flexible Spending Accounts

Flexible spending accounts (FSAs), administered by WEX, allow you to set aside pre-tax money to pay for eligible out-of-pocket healthcare or dependent care expenses. The healthcare FSA allows you to set aside up to \$3,050 for eligible expenses, and the dependent care FSA allows you to set aside up to \$4,992 (\$2,500 if married and filing separately) for child care* or adult dependent care expenses. Be sure to calculate your expenses conservatively. IRS regulations require that you forfeit any money left in the account after the claim submission deadline.

Basic Life

Novant Health provides 1.5x your base pay in basic life insurance, at no cost to you, up to a maximum coverage amount of \$1,000,000. Enrollment is automatic, but you should enter beneficiary information into PeopleSoft.

Supplemental Life

You may choose to purchase supplemental life and accidental death and dismemberment (AD&D) insurance in addition to the company-paid life insurance benefit. Supplemental life insurance can be purchased in the following increments:

- 1 1x base pay, 2x base pay, 3x base pay, 4x base pay or 5x base pay. The maximum amount of supplemental life insurance is \$1,000,000. Guarantee issue applies to the first \$500,000 of team member coverage that is elected the first time being eligible for supplemental life.
- 2 Dependent life insurance coverage options for your spouse and child(ren) up to age 26 are also available. Guarantee issue applies to the first \$50,000 of spouse coverage if elected the first time you are eligible for supplemental life.
- 3 Accidental death and dismemberment coverage is available as employee-only or family coverage. Coverage options range from \$25,000 to \$500,000.

Whole Life Insurance

Whole life insurance is designed to provide a death benefit to your beneficiaries when you pass away, but it can also build cash value that you can use while you are still living. Whole life is permanent; it never expires as long as you make the payments, which means the premiums won't go up. You can take your policy with you if you change jobs or retire. Call the Aon Whole Life Enrollment Center at **1-855-874-0209** to speak with a benefits counselor who can answer your questions and/or take your whole life enrollment elections.

The policy or its provisions may vary or be unavailable in some states. The policy has exclusions and limitations that may affect any benefits payable.

* A qualifying child dependent is defined by the IRS as a child who was under age 13 when the care was provided.

Other Benefits & Insurance (CONTINUED)

Disability

Novant Health offers short-term disability, which pays a benefit of 60% of your base pay, up to \$2,500 per week. Team members pay the full cost of short-term disability with after-tax dollars so that the benefit is received tax-free should you need it. Novant Health provides group long-term disability that pays a benefit of 60% of base pay after a 90-day waiting period, with a maximum benefit of \$10,000 per month*.

Paid Leaves of Absence

Novant Health recognizes the importance of providing eligible physician team members with paid leave opportunities for the following events:

- **Birth recovery leave** — Provides up to two (2) weeks of paid leave for recovery from childbirth.
- **Caregiver leave** — Provides one (1) week of paid leave for the care of a parent, spouse or child under age 18, who is experiencing a serious health condition as defined under the Family and Medical Leave Act.
- **Parental/bonding leave** — Provides up to four (4) weeks of paid leave for bonding with a newborn or newly adopted child.

Military Leave Supplemental Pay Benefit

Novant Health is proud of team members who make personal and professional sacrifices to serve in the U.S. Armed Forces or National Guard. These team members may be activated to support national and international military operations, and when their military pay is less than the base hourly rate of pay at Novant Health, it can be a hardship on the team member and family. Therefore, Novant Health provides supplemental pay equal to the difference between compensation (excluding payments for room and board) for military duty and the team member's base hourly rate of pay. Military pay supplements will be reviewed annually.

Visit NovantHealth.org/careers/benefits for plan details, rates and all required compliance notices.

* The monthly maximum benefit for physicians is \$10,000 per month, not including the benefit that can be received from the supplemental long-term disability plan.

* Not all hospital-based providers at Novant Health facilities are in the Novant Health network, so you will receive the Cigna network benefit if the hospital-based provider is not in the Novant Health network. Novant Health is seeking to expand the number of hospital-based providers in the Novant Health network.

** Novant Health network tier applies when DME and HHC services are obtained through Cigna's DME and HHC network, eviCore.

Surest Medical Plan

The Surest plan is designed to be easier, with no deductible, no coinsurance and the ability to see upfront prices (copays) for health services before making an appointment. From day one, you have coverage for services, from colds to cancer treatment.

Your Surest plan also includes the flexibility to activate coverage through a feature called flexible coverage. This means, for a set list of plannable treatments and procedures (such as knee replacement), you simply need to activate the coverage for your preferred provider at least three business days in advance of receiving the care. Typically, fewer than 2% of Surest members activate coverage during the plan year. The cost of activating coverage is paid through payroll deductions, for a set period of time, and may or may not require a copay at the time of service. Payroll deductions begin once a member activates coverage. Once a member meets the cost, the deductions are complete. There is a maximum per pay statement amount set by Novant Health in the rare event of multiple activations. The specific amount and number of pay statement deductions for each procedure is available at [Join.Surest.com/NovantHealth](https://www.join.surest.com/novanthealth), access code: *Novant2023*.

DEDUCTIBLE There are no deductibles with the Surest medical plan.

OUT-OF-POCKET MAXIMUM Includes all copay costs. Payroll deduction amounts for coverages that require activation do not accumulate towards out-of-pocket maximum amounts. Out-of-pocket amounts accumulate across Novant Health, Surest (UHC Choice Plus) Network, and out of network. Medical and pharmacy out-of-pocket are separate limits.

Surest Coverages Requiring Activation

The Surest plan includes the feature of flexible coverage for certain plannable treatments, such as cataract surgery or knee reconstruction. This coverage requires activation. Only 2% of all members activate coverage.*

The cost of activating coverage is paid through paycheck deductions, for a set period of time, and may or may not require a copay at the time of service. Paycheck deductions begin once a member activates coverage. Once a member meets the cost, the deductions are complete. There is a maximum out of paycheck set by your employer to protect your check in the rare event of multiple activations.

Coverage must be activated at least three business days in advance of the covered procedure, test or treatment.

Activation is not needed in the case of an emergency or cancer treatment.

Top Five Surest FAQs

Am I covered in an emergency?

YES! If you go to the emergency room, you pay the emergency room copay. If you need emergency surgery and/or need to be admitted to the hospital, the emergency room copay is waived, and you will be responsible for the inpatient hospital emergency admit copay. The applicable copay covers the care from X-rays and labs to anesthesiologists.

If, as part of your emergency treatment, a procedure is needed that would have otherwise required activation — don't worry. It will be covered under the inpatient hospitalization copay.

You do not need to activate coverage in emergencies. With Surest, we want you to focus on your health and feeling better.

Is there an out-of-pocket limit? What applies?

Yes. There is an out-of-pocket limit, or the most money you will pay in a given year for health care benefits your plan covers. Visit [Join.Surest.com](https://www.join-surest.com) or your benefit site for details.

All copays count toward the limit, from prescriptions to office visits to surgery. (Monthly premiums and out-of-network expenses don't count toward out-of-pocket limits.) In the case of activating coverage, additional payroll deductions do not count toward this amount.

Is there a pre-tax account I can use?

Under the Surest plan, you can put money aside — taxfree — in a flexible spending account (FSA) to pay for qualified out-of-pocket medical expenses. Sign up for an FSA during Annual Benefits Enrollment.

Administrative services provided by Bind Benefits, Inc. d/b/a Surest, its affiliate United HealthCare Services, Inc., or by Bind Benefits, Inc. d/b/a Surest Administrators Services, in CA.

What coverage(s) require activation?

For a small list of plannable tests, procedures or treatments, coverage must be activated at least three business days prior to the covered procedure. Activation will trigger additional payroll deductions. Depending on where you choose to have the procedure, there may or may not be a copay. Keep in mind that few people need these tests, procedures or treatments annually. Approximately 2% of Surest members activated coverage during the plan year.* Activation is not required in an emergency.

You can find the list of coverages requiring activation on [Join.Surest.com](https://www.join-surest.com).

No matter what health service you're seeking, you'll find — with Surest — covered services have a price tag (copay). For preventive care, the copay is typically \$0. For office visits and many procedures — from getting an MRI to having a baby — you have price visibility. The copay covers what you typically experience in a single visit, eliminating surprise tagalong bills that can show up in your mailbox after the fact for services like labs, X-rays or anesthesiologists.

Remember: Review prices before you make an appointment. The Novant Health doctors and facilities will have the lowest copays. If you do use a doctor or facility in the UnitedHealthcare Choice Plus network, lower costs can indicate higher-value care. You choose what works for your health, your lifestyle and your budget.

Is my doctor in-network?

Novant Health doctors and facilities are in-network and will have the lowest copays on the Surest plan. In addition, we provide access to the national UnitedHealthcare Choice Plus network and Optum Behavioral Health network — but you should always confirm. Visit [Join.Surest.com](https://www.join-surest.com) or your benefit site for network status and applicable cost.

2023 Well-Being Programs

At Novant Health, our patients' well-being depends upon your well-being. All team members are encouraged to participate in our well-being activities and all benefits-eligible team members have the opportunity to earn incentives, including team members who are not enrolled in a Novant Health medical plan.

Team members enrolled in a Cigna medical plan can earn up to \$900 in health reimbursement account (HRA) incentive dollars, and covered spouses can earn up to \$275, through participation in Cigna's MotivateMe program and the Novant Health well-being portal. HRA dollars are placed in your Cigna HRA. Incentives can be earned throughout the year for completing a personalized health assessment, having healthy biometric values, attending annual well-being screenings and participating in Living Healthy webinars or events.

Team members who select the Surest medical plan can earn up to \$250 in reward points each calendar year through participation in our well-being portal.

Visit I-Connect for instructions on how to access more resources and rewards on the Novant Health well-being portal.

Group Long-Term Disability Insurance Benefit Highlights

Just over one in four of today's 20 year-olds will become disabled before they retire (age 67).

A disability can happen to anyone. Long-Term Disability insurance helps protect your paycheck if you're unable to work for a long period of time after a serious condition, injury or sickness.

Group Long-Term Disability Insurance Benefit Highlights

Asked & Answered

Who is eligible?

You are eligible if you are an active, full-time physician who works at least 24 hours per week on a regularly scheduled basis, excluding on-call hours.

Am i guaranteed coverage?

This insurance is guaranteed issue coverage — it is available without having to provide information about your health. This coverage is subject to a pre-existing condition exclusion, which is detailed on the Limitations & Exclusions sheet.

When can i enroll?

Your employer will automatically enroll you for this coverage.

When does this insurance begin?

This insurance will become effective on the date you become eligible. You must be actively at work with your employer on the day your coverage takes effect.

When does this insurance end?

This insurance will end when you no longer satisfy the applicable eligibility conditions, premium is unpaid, you leave your employer, or the coverage is no longer offered.

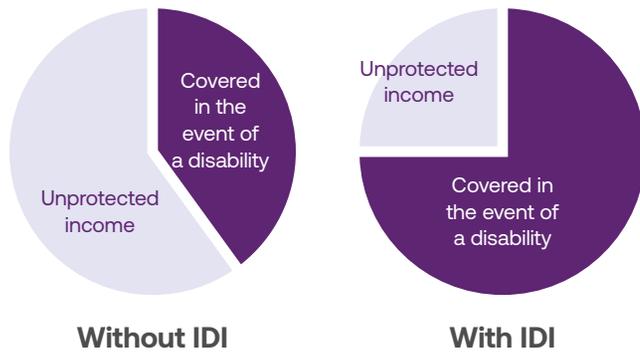

What does it mean to be disabled?

Disability is defined in The Hartford's certificate with your employer. Typically, disability means that you cannot perform one or more of the essential duties of your occupation due to injury, sickness, pregnancy or other medical condition covered by the insurance, and as a result, your current monthly earnings are less than 80% (standard) of your pre-disability earnings.

Pre-disability earnings is your regular monthly rate of pay, not counting commissions, bonuses, overtime pay or any other fringe benefit or extra compensation.

Provider Individual Disability Insurance (IDI)

The Novant Health Group Long-Term Disability (GLTD) plan limits income replacement at the time of a disability to \$10,000/month. For most providers, this limit is inadequate to meet financial needs during a loss of income. With this understanding in mind, Novant Health negotiated a supplemental tier of income replacement called IDI, which increases the monthly limit to \$25,000.

Key IDI Provisions

The IDI policy provides:

- Own occupation definition of disability based on your practice specialty, even if you decide to work in another occupation
- Portability, meaning you can keep your policy at the same premium discount if you leave Novant Health
- Supplemental Long-Term Disability coverage with no premium deducted from your pay
- Annual benefit increases, up to the plan maximum, which track with compensation increases

Frequently Asked Questions

What happens if I fail to enroll?

Your disability benefits will be limited to the Group Long-Term Disability (GLTD) plan only, with no anticipated opportunity to secure coverage in the Individual Disability Insurance (IDI) plan in the future.

Do I have to pay for this IDI coverage?

No payroll deduction is processed for the IDI; it is a practice expense and as such your participation is expected.

What medical and financial underwriting is required?

The negotiated guaranteed standard issue IDI has no medical or financial requirements; only the criteria of being active at work.

What are the active at work criteria?

No missed time due to injury or sickness in the 90 days prior to your application date and no current limitations to work full-time.

Is there any impact to my benefit if I already have Individual Disability Insurance (IDI)?

The application requires disclosure of existing IDI which may adjust your eligible benefit under the plan.

Novant Health Retirement Plus Plan

Your benefits package at Novant Health includes the Novant Health Retirement Plus Plan. The Plan is recordkept by Fidelity Investments, so you can contact them for assistance or with any questions. You will be automatically enrolled in the Plan starting with your first full biweekly pay statement* at a pretax contribution rate of 4% of your gross pay. Your contributions will be directed to a State Street Target Retirement Fund** based on your date of birth unless you direct otherwise. You have 90 days to opt out of the Plan by contacting Fidelity and changing your deferral rate to 0%. If you opt out within 90 days, any contributions, adjusted for market gains and losses while deferred to the Plan, can be requested to be returned to you.

You can access your account at Fidelity by logging on to Fidelity NetBenefits® at www.netbenefits.com/novanthealth. Click *Register* at the top of the screen to establish your username and password.

If you already have other accounts with Fidelity, you can use your existing login information to access your Novant Health account. After logging in, choose *Contribution Amount* from the *Quick Links* menu for your Plan and change your deferral rate to 0% if you do not wish to participant in the Plan. You can also contact the Fidelity Retirement Service Center at **800-343-0860**. Service Representatives are available from 8:30a.m. to midnight ET Monday through Friday, except for New York Stock Exchange holidays excluding Good Friday.

Novant Health Retirement Plus Plan

Plan features:

Contributions: You can contribute 1-60% of your salary on a pretax basis to the Plan in 0.1% increments. Novant Health contributes to your retirement through a dollar-for-dollar match of the first 6% you contribute to the Plan. You will be eligible for the matching contribution on your date of hire. The match is contributed to the Novant Health Savings and Supplemental Retirement Plan. Contact Fidelity and consider increasing your contribution rate to 6% to take full advantage of the matching contribution.

Vesting: When you are "vested" in your savings, it effectively means the money is yours to keep. You are always 100% vested in your contributions to the Plan. The matching contribution is vested after three years of service. You earn one year of vesting service for each calendar year in which you are paid for at least 1,000 hours.

Auto increase program: An optional program that automatically increases your contribution rate by 1-3% on an annual basis. You choose the amount and the date of the increase, and you can opt out at any time.

Investment options: The Plan offers a full range of investment options to help you reach your retirement savings goals.

Online planning tools: Fidelity offers a wide variety of investment analysis and retirement planning tools on NetBenefits. Click the *Planning* link at the top right of the NetBenefits homepage to access the Fidelity Planning and Guidance Center.

Additional information:

Fidelity Workplace Financial Consultants: Fidelity offers one-on-one consultations if you have any questions about retirement planning or would like help determining which investment options may be right for you. You can contact the Fidelity Retirement Planning Team at **800-642-7131** or schedule an appointment online at **www.fidelity.com/reserve**. For help choosing your investments or distribution options that are right for you, call **800-642-7131** to speak with a Fidelity Representative.

Online beneficiaries service: It is important to designate your beneficiaries for the Plan. You can designate, review or update your beneficiary elections using Fidelity's secure online election tool located under the Profile link after logging into NetBenefits at **www.netbenefits.com/novanthealth**. You can also contact the Fidelity Retirement Service Center for a beneficiary form at **800-343-0860**.

Novant Health Retirement Plus Plan

Loans and withdrawals: Although the Plan is intended for the future, you may borrow from your account for any purpose. Generally, the Plan allows you to borrow up to 50% of your vested account balance. The minimum loan amount is \$1,000 and a loan must not exceed \$50,000. You then pay the money back into your account, plus interest, through payroll deductions. You may have a maximum of one loan at a time.

Withdrawals from the Plan are generally permitted when you terminate your employment, retire, reach age 59½ or become permanently disabled, as defined by your plan.

Rollovers: You are permitted to roll over eligible pre-tax assets from another 401(k), 403(b) plan, 401(a) plan or governmental 457(b) retirement plan. The Plan also accepts rollovers from a conduit IRA.

If you have any questions about the Plan or need assistance in performing a transaction, please call the Fidelity Retirement Service Center at **800-343-0860**.

Before investing in any investment option, consider the investment objectives, risks, charges and expenses. Contact Fidelity for a mutual fund prospectus or, if available, a summary prospectus containing this information. Read it carefully.

Investing involves risk, including risk of loss.

Be sure to consider all your available options and the applicable fees and features of each before moving your retirement assets.
