Key messages for 2021

Novant Health will require influenza vaccination for all employees, physicians, volunteers, students, contractors, vendors, and all others who provide services in a Novant Health facility. The only exception is if you have been granted a medical or faith-based flu exemption, by the flu exemption request deadline date of **September 30th, @ 5:00 p.m.**

You must get vaccinated at a Novant Health EOH clinic or show proof of vaccination from another location **no later than 5:00 p.m. on Sunday, October. 31.**

Noncompliance with this process will result in termination of employment.

***Please note:** You **MUST** have your Novant Health ID badge and mask with you to receive a flu vaccine. Also, there will be additional safety guidelines in place this year due to Covid-19 pandemic to assure team member safety during team member flu clinics.
