About Novant Health
Novant Health is an integrated network of physician clinics, outpatient facilities and hospitals that delivers a seamless and convenient healthcare experience to communities in Virginia, North and South Carolina, and Georgia. Named in 2016 by Becker’s Hospital Review as one of the nation’s 150 best places to work in healthcare, Novant Health network consists of more than 1,500 physicians and over 25,000 employees that provide care at over 470 locations, including 14 medical centers and hundreds of outpatient facilities and physician clinics. Headquartered in Winston-Salem, North Carolina, the health system serves more than 4 million patients annually and in 2015 provided more than $706 million in community benefit, including charity care and services. Diversity MBA has recognized the organization as one of the 50 best places for women and managers of diverse background to work and SK&A ranks Novant Health among the top 25 integrated health systems in the nation. Novant Health provides care in Virginia under the joint operating company, Novant Health UVA Health System.

MISSION
Novant Health exists to improve the health of communities, one person at a time.

VISION
We, the Novant Health team, will deliver the most remarkable patient experience in every dimension, every time.

VALUES
- Compassion
- Diversity and inclusion
- Personal excellence
- Teamwork
- Courage

Novant Health Forsyth Medical Center
Novant Health Forsyth Medical Center is a 921-bed hospital offering a wide range of services in emergency, medical, surgery, rehabilitation and behavioral health. Centers of excellence include the Rehabilitation Center, Maya Angelou Women’s Health and Wellness Center, Heart and Vascular Institute, Derrick L. Davis Cancer Center, Stroke and Neurosciences Center, Orthopedic Center and behavioral health.

HISTORY
Novant Health Forsyth Medical Center was founded in 1887 as a 10-bed hospital inside a private home. Episcopal minister Henry O. Lacy worked with the Ladies Twin City Association and other volunteers to raise money for the hospital to address the community’s growing need for healthcare. The Twin City Hospital existed in several different locations until 1959 when voters approved purchase of a 77-acre campus that is Novant Health Forsyth Medical Center’s current home.

AWARDS
- Clinical Excellence Award by the VHA, Inc.
- Conquer Cancer Award by the American Society of Clinical Oncology
- Quality Gold Plus Achievement Award by the American Heart Association and American Stroke Association for its success in using Get With The Guidelines® to improve care
- Advanced Comprehensive Stroke Certification by The Joint Commission and the American Heart Association / American Stroke Association

ACCREDITATION
Novant Health Forsyth Medical Center is fully accredited by The Joint Commission, an independent organization that evaluates a healthcare organization's performance in areas that most affect patient health and safety. In addition, we have earned some of the nation’s top honors in quality care, including Chest Pain Center accreditation, Stroke Care certification, Heart and Vascular Center certification, Breast Center accreditation and Knee and Hip Joint Replacement certification. Novant Health Forsyth Medical Center is also designated a Magnet Nursing facility by the American Nurses Credentialing Center.

Novant Health Presbyterian Medical Center
Novant Health Presbyterian Medical Center is a not-for-profit 597-bed hospital that consistently ranks among the best in the nation for quality. It is Novant Health’s first facility to receive a trauma designation.

We offer the latest in diagnostic and treatment services and provide specialized care to patients with cancer. We also are home to Novant Health Hemby Children’s Hospital, which provides patients access to the most advanced research, programs, technologies and clinical techniques.
HISTORY
Opened in 1903 as Presbyterian Hospital, the facility existed at several sites in uptown Charlotte before establishing a home on its 20-acre campus in 1918, where it remains today overlooking the Charlotte skyline. In 2016, Novant Health Presbyterian Medical Center became a level III trauma center.

ACCREDITATION
Novant Health Thomasville Medical Center has been fully accredited by The Joint Commission, an independent organization that evaluates a healthcare organization’s performance in areas that most affect patient health and safety, as well as DNV (Stiftelsen Det Norske Veritas) an accreditor of US hospitals integrating ISO 9001 quality compliance with the Medicare Conditions of Participation. In addition, we have earned some of the nation’s top honors in quality care, including Chest Pain Center accreditation, Sleep Center certification, Stroke Care certification, Total Joint Center of Excellence and Sleep Disorders Center of Excellence.

**Novant Health Charlotte Orthopedic Hospital**
Novant Health Charlotte Orthopedic Hospital, a department of Novant Health Presbyterian Medical Center, has 80 beds and is the Charlotte region’s only orthopedic hospital and one of a few of its kind in the country. In 2015, Novant Health began a major renovation and expansion project on the Charlotte Orthopedic Hospital, which includes the addition of a third story with 32 additional patient rooms. The project is slated to be completed in 2018. At Charlotte Orthopedic Hospital, our doctors and team members provide a full range of orthopedic services, from advanced diagnostic imaging and innovative treatments to rehabilitation services.
HISTORY
Founded in 1976 by a group of orthopedic surgeons, Novant Health Charlotte Orthopedic Hospital is the region's only orthopedic hospital, providing a full range of services for orthopedic injuries and conditions.

SERVICES
- Foot and ankle
- Hip and knee
- Shoulder and elbow
- Neck, back and spine
- Rehabilitation services
- Hand and wrist
- Pediatric orthopedic services
- Sports medicine

ACCREDITATION
Novant Health Charlotte Orthopedic Hospital has been fully accredited by The Joint Commission, an independent organization that evaluates a healthcare organization's performance in areas that most affect patient health and safety. In addition, we have earned some of the nation’s top honors in quality care, including disease-specific care certification for five joint and spine programs: hip fracture, hip replacement, knee replacement, laminectomy and spinal fusion. Charlotte Orthopedic Hospital is designated a Magnet Nursing facility by the American Nurses Credentialing Center, a distinction recognizing the highest level of nursing care.

Novant Health Huntersville Medical Center
Novant Health Huntersville Medical Center is a 91-bed community hospital offering a wide range of services in emergency, maternity, surgery, pediatrics, cardiovascular, cancer and outpatient care.

HISTORY
Novant Health Huntersville Medical Center first opened its doors in 2004 as a 50-bed hospital. In September 2012, Novant Health Huntersville Medical Center opened its new two-floor vertical expansion with 15 new beds, bringing the total bed count up to 75 beds. In 2014, the hospital received CON approval to transfer 16 beds from Novant Health Presbyterian Medical Center bringing the bed count to 91. In April 2016, the hospital again received state approval to transfer 48 acute beds and an operating room from Presbyterian Medical Center to Huntersville Medical Center, which will eventually bring the bed count to 139.
