

## **Novant Health Forsyth Medical Center 2020 Fact Sheet**

### **Overview**

Novant Health Forsyth Medical Center is an 859-bed hospital offering a wide range of services in emergency, medical, surgery, neurology, critical care, oncology, women's health and wellness and behavioral health. Centers of excellence include the Maya Angelou Women's Health and Wellness Center, Heart and Vascular Institute, Derrick L. Davis Cancer Center, Stroke and Neurosciences Center, Orthopedic Center and Behavioral Health. We are part of Novant Health, a four-state integrated network of physician clinics, outpatient facilities and hospitals that delivers a seamless and convenient healthcare experience to our communities. The Novant Health network consists of more than 1,600 physicians and over 29,000 employees that provide care at nearly 700 locations, including 15 medical centers and hundreds of outpatient facilities and physician clinics. Headquartered in Winston-Salem, North Carolina, Novant Health is committed to making healthcare remarkable for patients and communities, serving more than 5 million patients annually.

By bringing together world-class technology and clinicians to provide quality care, we are committed to creating a healthcare experience that is simpler, more convenient and more affordable so patients can focus on getting better and staying healthy.

Chad Setliff, president and chief operating officer

### **History**

Novant Health Forsyth Medical Center was founded in 1887 as a 10-bed hospital inside a private home. Episcopal minister Henry O. Lacy worked with the Ladies Twin City Association and other volunteers to raise money for the hospital to address the community's growing need for healthcare. The Twin City Hospital existed in several different locations until 1959 when voters approved purchase of a 77-acre campus that is Novant Health Forsyth Medical Center's current home.
