Overview
Novant Health Mint Hill Medical Center is a 36-bed community hospital offering a wide range of services in women’s health, emergency care, imaging, outpatient services and more. The hospital has 24 medical-surgical beds, eight labor/delivery/recovery/postpartum (LDRP) beds, four intensive care unit beds, 10 observation beds and a 16-bay emergency department. Mint Hill Medical Center is part of Novant Health, a four-state integrated network of physician clinics, outpatient facilities and hospitals that delivers a seamless and convenient healthcare experience to our communities. The Novant Health network consists of more than 1,600 physicians and over 29,000 team members that provide care at nearly 700 locations, including 15 medical centers and hundreds of outpatient facilities and physician clinics. Headquartered in Winston-Salem, North Carolina, Novant Health is committed to making healthcare remarkable for patients and communities, serving more than 5 million patients annually.

By bringing together world-class technology and clinicians to provide quality care, we are committed to creating a healthcare experience that is simpler, more convenient and more affordable so patients can focus on getting better and staying healthy.

Administration
Joy Greear, president and chief operating officer

History
Novant Health Mint Hill Medical Center was awarded a certificate of need from the state in 2007. The project was put on hold for several years, and construction officially began in September 2016. The topping-out ceremony, where the last beam is placed for the hospital, was held in April 2017. Mint Hill Medical Center officially opened its doors in October 2018 as a 145,000-square-foot, 36-bed community hospital with an attached 67,000-square-foot physicians’ plaza. In November 2016, Mint Hill Medical Office Building opened on
the 80-acre campus offering primary, pediatric, orthopedic and ob-gyn services. In 2017, urgent care services were added.
