Accreditation
Novant Health Rowan Medical Center has been fully accredited by The Joint Commission, an independent organization that evaluates a healthcare organization’s performance in areas that most affect patient health and safety. In addition, we have earned some of the nation’s top honors in quality care. Rowan Medical Center is also a designated Magnet Nursing facility by the American Nurses Credentialing Center.

Novant Health Rowan Medical Center also meets all criteria as a Comprehensive Center under the Metabolic and Bariatric Surgery Accreditation and Quality Improvement Program (MBSAQIP), a joint program of the American College of Surgeons (ACS) and the American Society for Metabolic and Bariatric Surgery (ASMBS). The MBSAQIP Standards ensure that bariatric surgical patients receive a multidisciplinary program, not just a surgical procedure, which improves patient outcomes and long-term success.
