Novant Health Presbyterian Medical Center 2021 Fact Sheet

Overview

Novant Health Presbyterian Medical Center is a not-for-profit 576-bed hospital that consistently ranks among the best in the nation for quality. We are part of Novant Health, a three-state integrated network of physician clinics, outpatient facilities and hospitals that delivers a seamless and convenient healthcare experience to our communities. The Novant Health network consists of more than 2,300 physicians and over 35,000 employees that provide care at nearly 800 locations, including 15 medical centers and hundreds of outpatient facilities and physician clinics. Headquartered in Winston-Salem, North Carolina, Novant Health is committed to making health care remarkable for patients and communities, serving more than 6 million patients annually.

We offer the latest in diagnostic and treatment services and provide specialized care to patients with cancer. We also are home to Novant Health Hemby Children's Hospital, which provides patients access to the most advanced research, programs, technologies and clinical techniques. In 2016, Novant Health Presbyterian Medical Center was designated a level III trauma center.

By bringing together world-class technology and clinicians to provide quality care, we are committed to creating a healthcare experience that is simpler, more convenient and more affordable so patients can focus on getting better and staying healthy.
