Novant Health Thomasville Medical Center 2021 Fact Sheet

Overview

Novant Health Thomasville Medical Center is a 146-bed hospital offering a wide range of inpatient and outpatient services, birthing rooms and an emergency department. We are part of Novant Health, a three-state integrated network of physician clinics, outpatient facilities and hospitals that delivers a seamless and convenient healthcare experience to our communities. The Novant Health network consists of more than 2,300 physicians and over 35,000 employees that provide care at nearly 800 locations, including 15 medical centers and hundreds of outpatient facilities and physician clinics. Headquartered in Winston-Salem, North Carolina, Novant Health is committed to making health care remarkable for patients and communities, serving more than 6 million patients annually.

By bringing together world-class technology and clinicians to provide quality care, we are committed to creating a healthcare experience that is simpler, more convenient and more affordable so patients can focus on getting better and staying healthy.

Jon Applebaum, president and chief operating officer

History

Novant Health Thomasville Medical Center first opened as City Memorial Hospital of Thomasville in July 1930 with 31 beds. Now, more than 85 years later, it is a state-of-the-art medical center that offers residents of Davidson County quality care. In 1997, it became the first hospital of its kind to join Novant Health.
