New Hanover Regional Medical Center
2021 Fact Sheet

Overview
New Hanover Regional Medical Center is a not-for-profit 800-bed teaching hospital, regional referral center and UNC School of Medicine branch campus. We offer specialty medical and surgical care, which includes women's and children's, orthopedic, rehabilitation and psychiatric hospitals, and a level II trauma center. Other specialty services include: three 24-hour emergency departments; adult, neonatal and pediatric intensive care; neurosurgery; pediatric surgery; open heart surgery; vascular surgery and oncology services. NHRMC also manages Pender Memorial Hospital, a 25-bed critical access hospital with 42 skilled nursing home beds in Burgaw.

We are part of Novant Health, a four-state integrated network of physician clinics, outpatient facilities and hospitals that delivers a seamless and convenient healthcare experience to our communities. The Novant Health network consists of more than 2,300 physicians and over 36,000 employees that provide care at more than 700 locations, including 16 medical centers and hundreds of outpatient facilities and physician clinics. Headquartered in Winston-Salem, North Carolina, Novant Health is committed to making health care remarkable for patients and communities, serving more than 5 million patients annually.

Administration
John Gizdic, president and chief executive officer

History
New Hanover Regional Medical Center opened in 1967 as New Hanover Memorial Hospital. It marked a civil rights achievement for Wilmington, replacing separated, segregated hospitals. The hospital has since grown into a major medical center serving the entire Southeastern North Carolina region.
