Novant Health Brunswick Medical Center

Overview

Novant Health Brunswick Medical Center is a 74-bed hospital offering a wide range of services in emergency, medical, surgical, imaging, rehabilitative and maternity. We are part of Novant Health, a three-state integrated network of physician clinics, outpatient facilities and hospitals that delivers a seamless and convenient healthcare experience to our communities. The Novant Health network consists of more than 1,800 physicians and over 35,000 employees that provide care at more than 800 locations, including 15 medical centers and hundreds of outpatient facilities and physician clinics. Headquartered in Winston-Salem, North Carolina, Novant Health is committed to making health care remarkable for patients and communities, serving more than 6 million patients annually.

By bringing together world-class technology and clinicians to provide quality care, we are committed to creating a healthcare experience that is simpler, more convenient and more affordable so patients can focus on getting better and staying healthy.

Laurie Whalin, president and chief operating officer

History

Novant Health Brunswick Medical Center was opened in 1977 as Brunswick Community Hospital, an acute care facility in the heart of Brunswick County. In 2006, Novant Health was selected by the Brunswick County Hospital Authority to provide healthcare services to counties in eastern North Carolina. In 2011, our new facility opened its doors to the community.
