Novant Health Pender Medical Center 2022 Fact Sheet

Overview

Novant Health Pender Medical Center is a 25-bed critical access hospital (67 licensed beds) with 43 skilled nursing home beds in Burgaw. The hospital offers residents of Pender County and surrounding communities a convenient and friendly place to receive care and treatment. It offers a range of services including emergency care, surgery, imaging, infusion therapy, and skilled nursing. New Hanover Regional Medical Center manages Pender Memorial Hospital and has invested in the hospital's continued growth.

We are part of Novant Health, a three-state integrated network of physician clinics, outpatient facilities and hospitals that delivers a seamless and convenient healthcare experience to our communities. The Novant Health network consists of more than 1,800 physicians and over 35,000 employees that provide care at more than 800 locations, including 15 medical centers and hundreds of outpatient facilities and physician clinics. Headquartered in Winston-Salem, North Carolina, Novant Health is committed to making health care remarkable for patients and communities, serving more than 6 million patients annually.
