## **Novant Health Rowan Medical Center 2022 Fact Sheet**

### **Overview**

Novant Health Rowan Medical Center is a 268-bed hospital offering a wide range of services in emergency, maternity, surgery, cancer, rehabilitation and other specialty care. We are part of Novant Health, a three-state integrated network of physician clinics, outpatient facilities and hospitals that delivers a seamless and convenient healthcare experience to our communities. The Novant Health network consists of more than 1,800 physicians and over 35,000 employees that provide care at more than 800 locations, including 15 medical centers and hundreds of outpatient facilities and physician clinics. Headquartered in Winston-Salem, North Carolina, Novant Health is committed to making health care remarkable for patients and communities, providing nearly six million patient visits annually.

By bringing together world-class technology and clinicians to provide quality care, we are committed to creating a healthcare experience that is simpler, more convenient and more affordable so patients can focus on getting better and staying healthy.

## Accreditation

Novant Health Rowan Medical Center has been fully accredited by The Joint Commission, an independent organization that evaluates a healthcare organization's performance in areas that most affect patient health and safety. In addition, we have earned some of the nation's top honors in quality care, including radiology, mammography, pathology, cancer and breast center accreditation.

2085 Frontis Plaza Boulevard  
Winston-Salem, NC 27103

Novant Health Rowan Medical Center also meets all criteria as a Comprehensive Center under the Metabolic and Bariatric Surgery Accreditation and Quality Improvement Program (MBSAQIP), a joint program of the American College of Surgeons (ACS) and the American Society for Metabolic and Bariatric Surgery (ASMBS). The MBSAQIP Standards ensure that bariatric surgical patients receive a multidisciplinary program, not just a surgical procedure, which improves patient outcomes and long-term success.
