

How to vote early or absentee

There are many reasons why you may want to vote early or by absentee ballot this year. You may not be able to make it to the polls to vote because you are a patient in a hospital, reside in a nursing home or adult care home, or are homebound due to health issues. You may have to work on Election Day or may be concerned about being in public after COVID-19. Whatever the reason, all North Carolina voters are eligible to vote early or by absentee ballot.
