

Novant Health UVA Health System Haymarket Medical Center 2021 Fact Sheet

Overview

Novant Health UVA Health System Haymarket Medical Center is a 60-bed community hospital with a comprehensive offering of services in emergency, surgery, imaging, women’s and children’s health, cancer care and rehabilitation. We are a part of Novant Health UVA Health System, an integrated network of physician clinics, outpatient centers and medical centers that gives patients access to advanced, quality care delivered with a personal touch. Founded in 2016, the network is a joint operating company between Novant Health and UVA Health System that provides subspecialty care and groundbreaking clinical trials – with the support of UVA Health System – along with urgent, and primary care in Virginia. Headquartered in Warrenton, Virginia, Novant Health UVA Health System is committed to providing quality care close to home.

Haymarket Medical Center

History

In December 2010, Novant Health was awarded a certificate of public need to build the 60-bed acute care hospital on nearly 40 acres in Haymarket, Virginia. Novant Health UVA Health System Haymarket Medical Center is Novant Health's first prototypical facility. The design was patient, caregiver and community driven with lean thinking applied to eliminate waste and improve efficiency. The four-story/221,000 square-foot, \$100 million facility opened to the growing and diverse Northern Virginia community on March 26, 2014. In 2016, Novant Health's Virginia operations, including Novant Health Haymarket Medical Center, Novant Health Prince William Medical Center, Novant Health Cancer Center, Novant Health Caton Merchant House and the Novant Health physician clinics, joined UVA Culpeper Hospital to form Novant Health UVA Health System.

Accreditation

Novant Health UVA Health System Haymarket Medical Center is licensed by the state of Virginia and fully accredited by The Joint Commission, an independent organization that evaluates a healthcare organization's performance in areas that most affect patient health and safety. In addition, we have earned some of the nation's top honors in quality care, including Breast Center accreditation by the National Accreditation Program for Breast Centers and Chest Pain Center accreditation.

Novant Health UVA Health System Haymarket Medical Center also meets all criteria as a Comprehensive Center under the Metabolic and Bariatric Surgery Accreditation and Quality Improvement Program (MBSAQIP), a joint program of the American College of Surgeons (ACS) and the American Society for Metabolic and Bariatric Surgery (ASMBS). The MBSAQIP Standards ensure that bariatric surgical patients receive a multidisciplinary program, not just a surgical procedure, which improves patient outcomes and long-term success.

Mission

Novant Health UVA Health System exists to improve the health of communities, one person at a time.

Vision

We, the Novant Health UVA Health System team, will deliver the most remarkable patient experience, in every dimension, every time.
