

## **Novant Health Huntersville Medical Center 2021 Fact Sheet**

### **Overview**

Novant Health Huntersville Medical Center is a 139-bed community hospital offering a wide range of services in emergency, maternity, surgery, pediatrics, cardiovascular, cancer and outpatient care. We are a part of Novant Health, a four-state integrated network of physician clinics, outpatient facilities and hospitals that delivers a seamless and convenient healthcare experience to our communities. The Novant Health network consists of more than 2,400 physicians and over 37,000 employees that provide care at more than 800 locations, including 18 medical centers and hundreds of outpatient facilities and physician clinics. Headquartered in Winston-Salem, North Carolina, Novant Health is committed to making healthcare remarkable for patients and communities, serving more than 6 million patients annually.

By bringing together world-class technology and clinicians to provide quality care, we are committed to creating a healthcare experience that is simpler, more convenient and more affordable so patients can focus on getting better and staying healthy.

Mike Riley, RN, president and chief operating officer

### **History**

Novant Health Huntersville Medical Center first opened its doors in 2004 as a 50-bed hospital. In September 2012, NHHMC opened its new two-floor vertical expansion with 15 new beds, bringing the total bed count to 75 beds. In 2014, the hospital received CON approval to transfer 16 beds from Novant Health Presbyterian Medical Center bringing the bed count to 91.

In April 2016, the hospital again received state approval to transfer 48 acute beds and an operating room from Presbyterian Medical Center to Huntersville Medical Center, which opened in June 2019 bringing the bed count to 139.
