

Novant Health Kernersville Medical Center 2021 Fact Sheet

Overview

Novant Health Kernersville Medical Center is a 50-bed hospital offering a wide range of services in emergency, surgery, cardiovascular, diagnostic and cancer care close to home for local residents. We are part of Novant Health, a four-state integrated network of physician clinics, outpatient facilities and hospitals that delivers a seamless and convenient healthcare experience to our communities. The Novant Health network consists of more than 2,400 physicians and over 37,000 employees that provide care at more than 800 locations, including 18 medical centers and hundreds of outpatient facilities and physician clinics. Headquartered in Winston-Salem, North Carolina, Novant Health is committed to making healthcare remarkable for patients and communities, serving more than 6 million patients annually.

By bringing together world-class technology and clinicians to provide quality care, we are committed to creating a healthcare experience that is simpler, more convenient and more affordable so patients can focus on getting better and staying healthy.

Administration

Kirsten Royster, president and chief operating officer

History

Novant Health Kernersville Medical Center opened in 2011, providing an option for patients who previously had to travel to Greensboro or Winston-Salem for healthcare. A newly constructed medical office building opened in 2013, bringing cancer treatment services to the area, as well as additional specialty physician practices. In 2017, a second medical office building was added to the Kernersville Medical Center campus. In 2018, an ambulatory surgery center opened in the second medical office building.

Awards & Certifications

- **Leader in LGBTQ Healthcare Equality** by the Human Rights Campaign Foundation (2020, 2019, 2018, 2017)
- **Stage 7 EMRAM Award** by HIMSS Analytics. This recognition represents Novant Health's achievement of the highest level on the Electronic Medical Record Adoption Model (EMRAM), which means the hospitals are using electronic medical record technology to its fullest potential to provide access and care to our patients. (2018)
- **Magnet Recognition Program Designation** by the American Nurses Credentialing Center

Accreditation

Novant Health Kernersville Medical Center is fully accredited by The Joint Commission, an independent organization that evaluates a healthcare organization's performance in areas that most affect patient health and safety. In addition, we have earned some of the nation's top honors in quality care, including mammography, oncology, diabetes care, bariatrics and Breast Center accreditation.

Novant Health Kernersville Medical Center also meets all criteria as a Comprehensive Center under the Metabolic and Bariatric Surgery Accreditation and Quality Improvement Program (MBSAQIP), a joint program of the American College of Surgeons (ACS) and the American Society for Metabolic and Bariatric Surgery (ASMBS). The MBSAQIP Standards ensure that bariatric surgical patients receive a multidisciplinary program, not just a surgical procedure, which improves patient outcomes and long-term success.

Mission

Novant Health exists to improve the health of communities, one person at a time.

Vision

We, the Novant Health team, will deliver the most remarkable patient experience, in every dimension, every time.

Values

- Compassion
- Diversity and inclusion
- Personal excellence
- Teamwork
- Courage
